Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Spoke with Attorney Rayaprolu concerning clarity of what the Applicant's invention was and how it was different as compared to the prior art being referenced. It was suggested to Attorney to narrow independent Claim 1 and clarify what would make the invention novel. Concerning USC 101, Examiner provided suggestions to attorney to include language into the body of the claim which would make claims 1, 3-15 statutory. Attorney stated that she will include claim language to overcome USC 101 rejection. Attorney also stated that she will narrow Claim 1 and amend with additional claim language located within Independent Claim 11. She was not sure if an RCE would be filed .
